

# BUILDING A BETTER BRIGHTON

You are cordially invited to attend a community roundtable discussion for the Building of a Better Brighton.

Our 150<sup>th</sup> anniversary is coming up in 2019. The sesquicentennial committee has plans for a big celebration! To prepare for this, we need your help and suggestions in ways to beautify our community.

This includes homes, businesses, parks, road sides, vacant lots, etc.

We need ideas of how we can start a “neighbors helping neighbors” program. Instead of complaining what our “neighbors” property looks like, let us all help them make it beautiful.

Bring your **positive** attitudes and ideas on Tuesday November 7 at 7:00pm at the Municipal Building auditorium.

Refreshments will be served.

## HELP US, HELP YOU HELP US
